Professor Philip. This is pastor Ray McCrary from the Indianapolis group. As we progress through this class on Communication, are there any assignments which need to be delivered in the classroom; such as giving a devotional or speeches? We could probably facilitate this for you and have students send videos to you. If there is any way I can be of assistance for you on this end, let me know.

We enjoyed class today

Classes in Indianapolis are going real well. We have been meeting together every Friday to discuss the online sessions and our students have been faithful to attend each week. Pastor Zozum (our local facilitator) tells me that all students are thrilled with Survey of the Bible course.
